

NTH DEGREE TUTORING & TEST PREP.

AUGUST, 2017 NEWSLETTER

SAT / ACT Home Stretch

Summer is SAT / ACT season. I recommend 2 – 4 hours / week of test-prep tutoring over the summer. For those of you who have been booking only 1 hour / week, I encourage you to bulk up in August before classes start up again! Once school resumes, the priority should be coursework, especially in 11th grade.

College / Grad School Applications

Yes, I offer assistance with college and graduate school applications. Services include essay refinement and school selection.

Correction

Last month I did not give out the correct spelling of my Facebook page. It is

[facebook.com/NthDegreeTutoring](https://www.facebook.com/NthDegreeTutoring)

This page is a convenient way to refer your friends.

GMAT Score

I now have an official GMAT score ... I scored 780, at the 99th percentile.

GRE Classes

Just a reminder, the next GRE-2 class is scheduled for the Saturdays of 9/16 – 10/21, from 12 to 3 pm. The enrollment deadline is noon, 9/09. For those students who take GRE-1 first, the GRE-2 class is discounted to \$450 (or two payments of \$245).

The price of GRE group classes will be increasing effective September 15. The price schedule will now be \$550 for a six-week session or \$1,000 for the full 12-week session. You will lock in today's current rate as long as your payment is made before 9/15.

WOO-HOO ... BACK TO SCHOOL!
